OBJECTIVE: I am pursuing a full-time entry level Architect position where I can utilize my education and achieve my aspiration of becoming a registered Architect.

EDUCATION:

August 2010
–August 2011

Kent State University, Masters of Architecture

College of Architecture and Environmental Design

- Spring 2011: Spent a week in Dubai, United Arab Emirates
 - Participate in Sustainability Seminars.
- Constructed MATTr Competition Outside Taylor Hall: April 14 – May 21.
- GPA 3.50

August 2005
– May 2009

Kent State University, Bachelors of Science in Architecture

College of Architecture and Environmental Design

- Spring 2008: Studied abroad in Florence, Italy
- GPA 3.00

COLLEGIATE COURSES:

- Environmental Technology I and II
- Methods and Materials I and II
- Digital Fabrication Classes
- Architecture Studio classes every semester
- Structural Systems I and II

ARCHITECTURE DESIGN PROGRAMS:

- Auto CAD
- Adobe Photoshop
- Revit Autocad
- Adobe InDesign
- Rhinoceros 4.0
- Adobe Illustrator

WORK EXPERIENCE:

September 2011
Present

HFP Ambuske, Architects, Beachwood, OH

Part-time Contract Consultant, working with AutoCAD and Revit Architecture and model building.

- Remodel for Cleveland Clinic Executive Health
- Model for Walden Farm Residence.

Summer 2009

Baker, Bednar, and Associates, Howland, OH

Summer position that required my AutoCAD skills on the following projects:

- Remodel for Malone University, Cafeteria
- Remodel for Sarah Lawrence, Cafeteria
- Designed New Howland High School Press Box

COMMUNITY SERVICE:

Swim Season
2009-2010

Assistant Coach, Warren G. Harding Swim Team, Warren, OH

A position that required leadership and patience

- Act as a positive role model
- Attend swim meets and practices and assisted where needed

HONORS AND AWARDS:

- Participated in the Second Annual Kent State University International Symposium on Sustainable Value Chain, publishing my paper: "Use of Urban Agriculture to Revitalize Shrinking Cities: Case of Cleveland Ohio."
- Philadelphia Museum 3D model submitted for Kent State's Accreditation.
- Winner of Matrix Design Competition (MATTr), which includes creating a design, construction schedule, budget, and physical construction of the design.
- Faculty Honorable Mention for the Kent State University College of Architecture and Environmental Design Fourth Year Integrated Design Competition 2009
